Meeting Planners Kit

visitelpaso.com
On behalf of Destination El Paso, I'd like to thank you for considering the sunny southwest for your next event.

We are excited to share that El Paso is currently in the midst of new growth and development including a multi-purpose arena, a $97 million downtown street car system, museums, parks, libraries, trails, an interactive children’s museum and a zoo expansion. We feel that these exciting projects will complement any convention activity and offer attendees far more to do.

These public projects have stimulated private development that includes major hotels. We recently opened the Hotel Indigo and added 116 beautiful rooms to the inventory in downtown El Paso. The 357 room Hotel Paso del Norte, formerly known as the Camino Real, is in the midst of an 18 month, $100 million renovation, restoring it to a Four-Star Convention Hotel. Additionally, we have already broken ground on a Marriott Urban Courtyard hotel that will offer 151 rooms in the next 6 months.

With more places to stay, and things to see and do in a short walk from our Convention Center, attendees need not want for more!

El Paso is also quite an affordable meeting destination and we incentivize planners to consider the sunny southwest for what’s sure to be a memorable event. When compared to other major destinations El Paso consistently delivers more bang for a planners buck.

Recently, Meetings & Conventions Magazine ranked El Paso #2 on their “2016 Top Meeting Cities for Conferences”. The list is based on nine factors to include the number of hotels, affordability, proximity to a major airport, safety and the number of restaurants, bars and other entertainment establishments. El Paso was ranked 2nd only to San Antonio, Texas and tops other cities such as San Diego, CA, Austin, TX, Las Vegas, NV, Virginia Beach, VA, New York, NY and more.

Destination El Paso is committed to making your next event the most successful yet and look forward to hosting you in a city with a great mix of history, culture and the best hospitality around. I look forward to hearing from you in the near future and want you to know that we are eager, not only to assist you, but to also welcome your attendees with open arms.

MISSIONS
Located in El Paso’s Lower Valley, this Trail is rich in history dating back 400 years. Sure to take your breath away, these three adobe churches remain as living testaments to the faith of our Spanish and Indian ancestors. Established in 1862 the Ysleta Mission is the cornerstone of the Ysleta del Sur Indian Pueblo. Two miles east lay the Socorro Mission and its architecture reflects the culture, politics and insurmountable spirit of the early settlers of this vibrant town. Established in 1789, the San Elizario Chapel is an amazing paragon of late adobe church architecture in West Texas and New Mexico. It is an exquisite reflection of European architectural styles on the earlier, simpler box-like missions of the region.
